FAHRVERGNÜGEN.
IT'S WHAT MAKES A CAR A VOLKSWAGEN.

There's a word that captures the unique feeling you get when you drive

a Volkswagen and the word is Fahrvergnügen. The only way to completely

understand Fahrvergnügen is to experience it. You can experience

Fahrvergnügen in a Volkswagen because every car we build is engineered

to deliver a style of handling and performance that is distinctly European.

This unique style has been described as solid, sure, nimble and precise.

Volkswagens feel different. So find a stretch of winding road and discover a

style of driving you won't find in any Japanese or domestic car – experience

Fahrvergnügen for yourself today.

PASSAT GL. A SPACIOUS FAMILY SEDAN ENGINEERED TO MAKE A BAD ROAD LOOK GOOD.

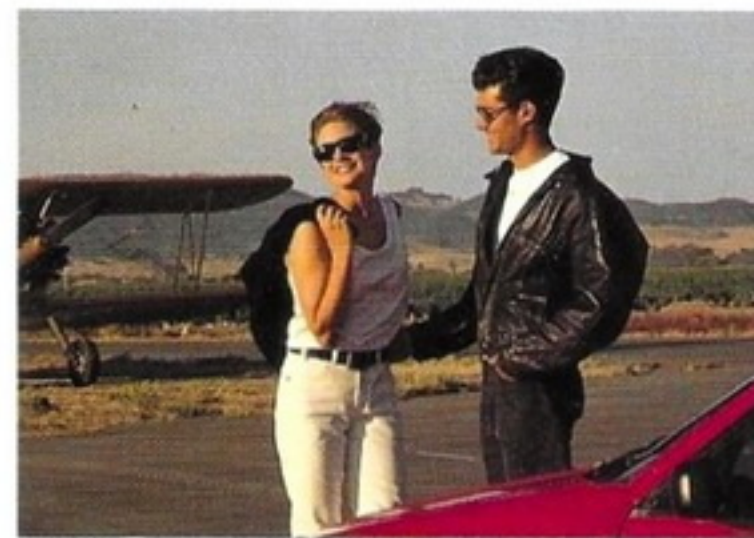

A trip to the store. A drive in the country.

Wherever you take Passat GL it rewards you with the kind of driving pleasure not found in the traditional family car. Passat GL is engineered with a multi-valve, digitally controlled engine that produces 134 horsepower. It's an engine that's as efficient as it is spirited. An independent suspension with stabilizer bars, power rack-and-pinion steering, four wheel power disc brakes and front wheel drive work together to provide agile handling and pinpoint driver control. Inside, you'll enjoy a wide array of standard comfort features: everything from air conditioning to individually adjustable rear seats. Outside, its aerodynamic styling is just as impressive. Experience the distinctly European feeling we call Fahrvergnügen by driving a Passat GL today. You'll enjoy all the virtues of a European family sedan with the traditional value of a Volkswagen.

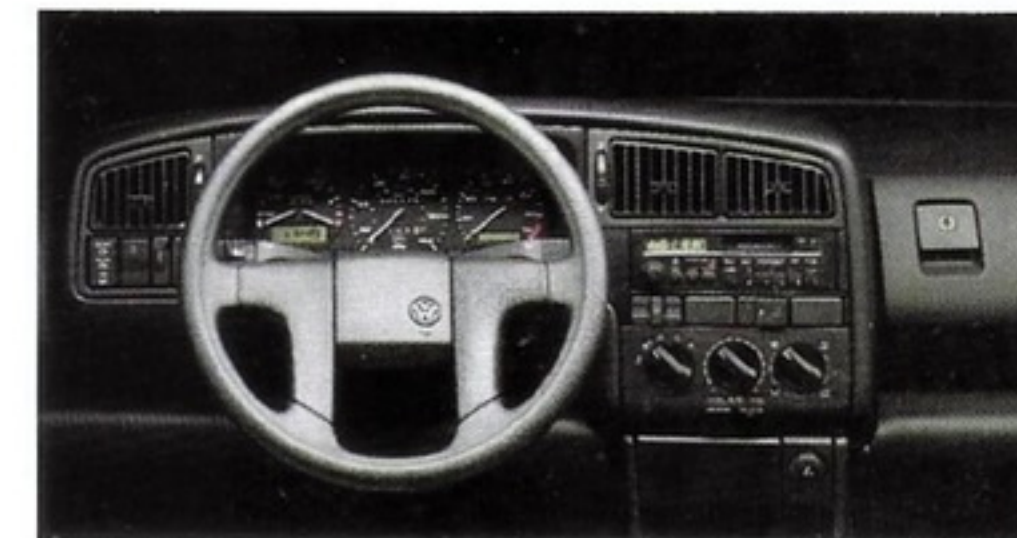

Passat GL ►

- Passat's 2.0 liter multi-valve Digifant fuel-injected engine produces 134 horsepower to deliver the kind of performance you would expect from a true European sedan.
- Compare Passat to Honda Accord LX. Passat has more horsepower, 4-wheel disc brakes, greater leg room and more comprehensive warranty coverage.
- Passat's interior space is astounding: you can carry five adults. Cross your legs in comfort in the rear seats. Even redefine the space by folding down the split rear seats for greater cargo capacity.

- In fact, Passat has more interior space than Honda Accord LX, Toyota Camry or Nissan Stanza GXE. Passat even has more room than the Volvo 7-series and Mercedes-Benz 300.
- Compare Passat to Ford Taurus LX. Passat offers such standard features as air conditioning, adjustable rear seats, the convenience of a split/fold rear seat and the stopping power of power-assisted four wheel disc brakes.
- Passat's standard comfort features include air conditioning, power steering, multi-adjustable front

- and rear seats, height-adjustable steering wheel, 14 cubic feet of trunk space and much more.
- Passat's wide track and long wheelbase are designed to help insure outstanding road handling and directional control.
- A switch on the console allows Passat's optional 4-speed automatic transmission to operate in a "sport" mode for performance or an "economy" mode for improved fuel efficiency.*

PASSAT GL WAGON. THE EUROPEAN WAGON FOR FAMILIES ON THE GO.

Look around you. Passat GL Wagon's interior is extraordinarily spacious. With the rear seat folded, the cargo area stretches 68.9 cubic feet from front seat to rear gate. So you can handle just about anything your family needs to transport. The Passat Wagon also shares much of the same performance technology with the Passat Sedan. Including a high-torque, 2.0 liter fuel-injected engine, power rack-and-pinion steering, four wheel power disc brakes and much more. So it handles roads just as easily. Passat GL Wagon also handles passengers in exceptional comfort. Relax in fully-adjustable, velour upholstered front bucket seats with thigh and lumbar supports. Even rear seat backrests and seat cushions can be individually adjusted to enhance personal comfort. The Passat GL Wagon - it's the only European family wagon that comes loaded with Volkswagen value.

Passat GL Wagon ►

- With the rear seats in place, Passat Wagon offers a generous 34 cubic feet of cargo space. With the seats folded, the cargo area measures 68.9 cu. ft.
- That means Passat Wagon offers more interior space than Toyota Camry Wagon.
- Passat Wagon comes with a wide range of standard convenience features like air conditioning, a height-adjustable steering wheel, dual remote controlled mirrors, 60/40 split rear seat and more.
- Like the Passat Sedan, the Wagon is powered by Volkswagen's 2.0 liter, 134 hp multi-valve engine.
- For clear rear visibility, especially during inclement weather, Passat Wagon features a standard rear wiper/washer with an intermittent mode.
- Passat Wagon is engineered for comfort. Orthopedically designed, velour upholstered seats both front and rear, accommodate five adults.
- Optional leather seating adds to the comfort and prestige of this European wagon.

CORRADO. ACCELERATION TO EXHILARATION IN NOTHING FLAT.

Corrado was designed for the Autobahn, the most demanding roads in the world. Our German engineers drive the Autobahn themselves, so they've built Corrado not just to compete, but to excel on this gruelling automotive field of honor. You'll experience the benefits of this European heritage as you effortlessly cruise the interstate or deftly tackle a winding country road. Its wedge profile, rounded contours, integrated bumpers and flush-mounted windows are engineered for sleek aerodynamics. And Corrado's independent suspension, power rack-and-pinion steering, four wheel disc brakes and front wheel drive all work together to achieve the dynamic handling you'd expect from a personal sports coupe. We call this distinctly European driving experience Fahrvergnügen. The sensation you feel only when you drive a Volkswagen. Experience this feeling for yourself by driving a Corrado. Only then will you feel its technology, performance and comfort raise you to a new level of exhilaration.

Corrado ►

- Corrado's unique G60 supercharged intercooled engine generates 158 hp. That's more horsepower than Nissan 240 SX SE and Ford Probe GT.
- Corrado's sleek, aerodynamic body is hand-crafted at the famed Karmann Coachworks.
- Corrado is equipped with power-assisted 11-inch vented front disc and 9-inch rear disc brakes. Dual diagonal brake circuitry provides an extra margin of safety. An optional Anti-lock Braking System (ABS) is also available.

- Corrado's advanced ergonomic design means every gauge and control is positioned exactly where you need it, enhancing your driving comfort and control.
- Air conditioning is standard on Corrado. You will pay extra for A/C on the Ford Probe GT, Nissan 240 SX SE and Mitsubishi Eclipse GS Turbo.
- Corrado's wide range of standard features includes power windows, power door locks, cruise control, BBS® alloy wheels, rear window defogger, dual remote controlled mirrors and much more.

- Corrado's unique integrated "active" rear spoiler extends upward to help reduce rear-end lift for improved driver control.
- Corrado features a premium 6 speaker AM/FM cassette stereo sound system, with auto reverse and anti-theft coding.
- Unlike many sports coupes, Corrado's 2+2 design offers real room for four adults.

JETTA. AN AFFORDABLE ROAD CAR THAT QUICKLY TAKES COMMAND OF THE ROAD.

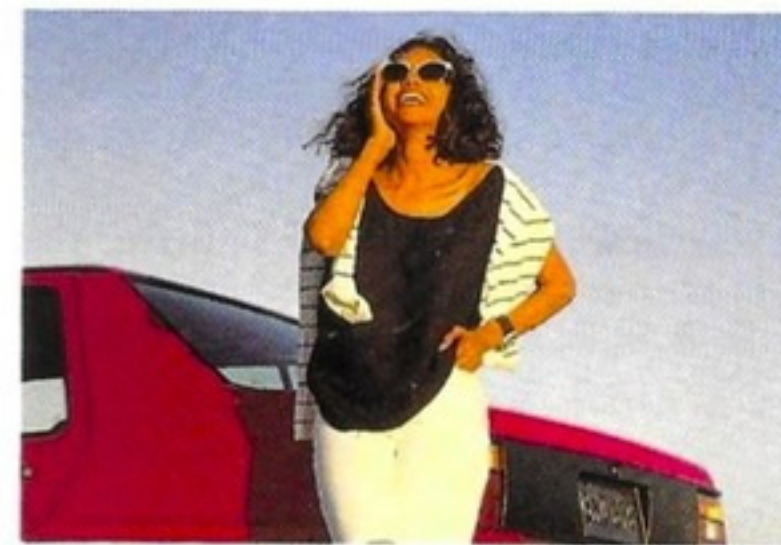

As a European road car, Jetta is a very

personal vehicle. It lets you choose the combination of performance and comfort that best suits your individual driving needs. The Jetta Carat is even more luxurious than the Jetta GL. Jetta GLI 16V, with its 16-valve engine, provides exciting power and performance. And Jetta GL Diesel offers extraordinary economy* and practicality. Since all Jettas are designed for the Autobahn, they're engineered with independent suspension, power rack-and-pinion steering, power front disc brakes and front wheel drive. All of which work together to deliver precision handling and the distinctly European driving experience we call Fahrvergnügen. The sensation you feel only when you drive a Volkswagen. To experience Fahrvergnügen, you must drive a Jetta. It's a true road car whose high level of performance is matched by its high level of comfort.

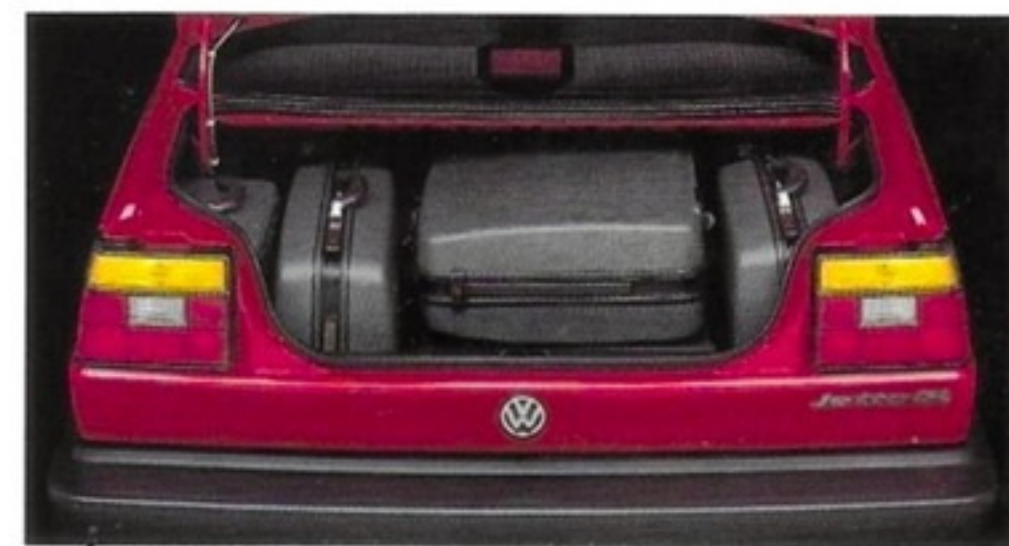

▲ Jetta GL interior

Jetta GLI 16V ►

- Jetta features a lively Digifant fuel-injected 1.8 liter engine that delivers more horsepower than Ford Tempo GL.
- Jetta is designed for comfort and control. Adjustable, velour upholstered front bucket seats are fully reclining and the height-adjustable steering wheel lets you find your optimum driving position.
- Jetta has one of the largest trunks in its class. Larger than Nissan Stanza XE and Toyota Corolla LE. Jetta's trunk is even larger than many luxury models, including the Mercedes-Benz 300.
- The luxurious Jetta Carat comes with a full complement of standard comfort features, including power windows, a central locking system, cruise control and dual remote controlled mirrors.
- Jetta is genuinely comfortable for five adults, interior space has been maximized for generous head-, shoulder- and leg-room for all passengers.
- Jetta GLI 16V's four wheel power disc brakes help provide sure, straightline stops. For even greater stopping power, consider the available Anti-lock Braking System (ABS).
- Jetta GLI 16V delivers the same horsepower as the BMW 318i, yet Jetta out-accelerates BMW and costs thousands less.
- Jetta GLI 16V is the only car in its class offering genuine Recaro sport seats and BBS modular alloy wheels as standard equipment.
- Jetta Diesel offers the highest fuel economy in the EPA compact class with 37 city/43 highway mpg.*

GOLF GL. A PRACTICAL PERFORMER THAT SETS HIGH STANDARDS FOR VERSATILITY.

European drivers prize performance and practicality. That's why they've embraced Golf. Golf has been the best-selling car in Europe for the past six years.* Drivers enjoy its versatility. But they also appreciate the fact that it's engineered with a four wheel independent suspension and front wheel drive for excellent road-gripping traction and directional control. Rack-and-pinion steering for handling and maneuverability that is crisp, responsive and reassuring. And power front disc brakes for sure, straightline stops. Golf's driving environment is a functional one. Its roomy interior is remarkably adaptable to people and things. All the elements of Golf's design work together to make it rewarding to own and fun to drive. We call this distinctly European driving experience Fahrvergnügen. Experience this feeling for yourself by driving a Golf. You'll find that its practicality never stands in the way of exhilarating performance.

*According to manufacturers' estimated retail sales for calendar years '84 through '89.

Golf GL ►

- For energetic performance, Golf comes equipped with a 1.8 liter Digifant fuel-injected overhead cam engine that generates 100 horsepower.
- Golf GL's engine is more powerful than Ford Escort, Mitsubishi Mirage and Mazda 323 SE.
- Golf's performance and versatility are popular worldwide, with over 10 million Golfs sold.
- For maximum stopping power, Golf's power-assisted front disc brakes and rear drum brakes are backed by a dual diagonal braking system.

- Compare Golf to Honda Civic DX. Golf has more horsepower, more passenger and trunk space and more standard features including a digital clock, tachometer and dual remote controlled mirrors.
- Golf's 17.9 cubic feet of cargo space expands to nearly 40 cubic feet by folding the rear seat down.
- Golf's patented track-correcting rear axle helps eliminate rear wheel steering during hard cornering; for an added measure of driver control.

GTI. MORE FUN FOR YOUR MONEY THAN ANY OTHER PERFORMANCE CAR.

Nearly a decade ago, Volkswagen created the "pocket rocket" category of performance hatchbacks with the introduction of the GTI. *Car and Driver* said GTI's "... chassis is so expertly sorted for fast running and its cockpit so well set up for the business of driving, that you find yourself being caught up in the fun." Now there's another GTI to consider. A 16-valve performance machine endowed with the kind of power that can tame just about anything the road can throw at it. The GTI and GTI 16V were designed for the Autobahn. They're engineered with a sport-tuned independent suspension, power rack-and-pinion steering and front wheel drive. All of which work together to produce the distinctly European driving experience we call Fahrvergnügen. Experience the feeling for yourself by driving a GTI or GTI 16V. It's exhilaration you never dreamed possible in a car this affordable.

GTI 16V ►

- GTI is not only fun to drive, it's versatile: the rear seat holds three adults or it can be folded down for nearly 40 cubic feet of cargo space.
- GTI is an exceptional value with standard features that include a rear window defroster, front and rear intermittent wipers, tinted glass and dual remote controlled mirrors.
- Compare GTI to Honda CRX Si. GTI has a larger engine, power steering and real room for five.
- GTI 16V delivers more horsepower than Honda Civic Si, Honda CRX Si and Ford Escort GT.
- GTI 16V's 2.0 liter dual overhead cam fuel-injected engine generates 134 hp and propels you from zero to sixty in just 7.8 seconds.
- GTI 16V comes with genuine Recaro® sport seats and BBS 15-inch modular alloy wheels.
- GTI 16V features an on-board trip computer and the convenience of a 60/40 split rear seat.

FOX. AN AFFORDABLE CAR THAT'S RICH IN DRIVING PLEASURE.

Fox is the perfect first car or the ideal second car. It's equipped with a long list of standard comfort and convenience features. You can tailor its practicality to your needs with either the 2-door Sedan or the versatile 4-door Fox GL. And its affordable price will fit neatly in your budget. Many economy cars can get you from place to place, but Fox makes sure you thoroughly enjoy the experience. Fox is truly one of the great automotive values on the road today. It is also a lot of fun to drive. It's engineered with an independent suspension, power front disc brakes, rack-and-pinion steering and front wheel drive. All work in concert to produce the distinctly European driving experience we call Fahrvergnügen. The sensation you feel only when you drive a Volkswagen. Experience this feeling for yourself by driving a Fox. And enjoy the balance of comfort and convenience, performance and practicality.

Fox GL ►

- Fox has been redesigned for 1991 featuring new front-end styling with integrated aero headlamps.
- Fox GL has a five-speed transmission and an efficient Digifant fuel-injected engine.
- Fox's 1.8 liter Digifant engine is more powerful than Honda Civic and Pontiac LeMans.
- Fox features advanced German engineering – its multi-port Digifant fuel-injection system, with one injector for each cylinder, is just like many Porsche and Mercedes-Benz models. This helps assure excellent engine starting and performance.

- Fox GL comes with a long list of standard features including a 5-speed transmission, velour upholstery, deluxe carpeting, tinted glass, reclining front bucket seats and a rear window defroster.
- Every Fox is equipped with front wheel drive for greater traction and control under varying weather conditions and road surfaces.
- For sure, straightline stops, Fox offers power-assisted front disc brakes as standard equipment.

CABRIOLET.
THE MOST REFRESHING WAY TO GET
FROM ONE PLACE TO ANOTHER.

Cabriolet is more than just a car, it's an extension of your lifestyle. It's a personal statement that turns every trip into an exciting driving experience. Cabriolet's stylish lines stand out even among more expensive convertibles. And Cabriolet delivers spirited performance and handling. Few driving experiences are as thrilling as racing the wind in a convertible. And few cars do it with as much liveliness as the Cabriolet. It's engineered with a sport-tuned suspension, power rack-and-pinion steering, ventilated power front disc brakes, and front wheel drive. All work together to produce that distinctly European driving experience we call Fahrvergnügen. To experience Fahrvergnügen, ease down the triple-layered top and head for the highway. You'll find that Cabriolet opens up a new dimension of driving that's both rewarding and refreshing.

Cabriolet Carat ►

- Cabriolet's energetic 1.8 liter Digifant fuel-injected engine and five-speed close ratio transmission produce a rewarding blend of performance, efficiency and driving fun.
- Cabriolet comes with a long list of standard features including power steering, power front windows, AM/FM stereo cassette, and more.
- Cabriolet's power-assisted steering and front disc brakes have a light, positive feel. Its front wheel drive provides reassuring traction under varying road and weather conditions.
- The luxurious Cabriolet Carat features supple leather seating areas, leather-wrapped steering wheel and shift knob, leather headrests, teardrop alloy wheels and more.
- Cabriolet's eye-catching good looks are hand-crafted at Germany's famed Karmann Coachworks.
- Cabriolet's hand finished convertible top is insulated, triple-layered and comes with a glass window for all-season driving comfort.
- Cabriolet's fully reclining front bucket seats are contoured to fit your body lines.
- A snap-on boot cover protects Cabriolet's top and presents a neat appearance.
- Cabriolet has plenty of room for you and three friends to enjoy miles of open air touring.

VANAGON.
THE MOST VERSATILE ROOM
ON THE ROAD.

Forty years ago, Volkswagen pioneered the original minivan. As a result of continuous improvement and innovation, Volkswagen now offers seven unique models of Vanagon to meet your driving and recreational needs. The Vanagon, Vanagon GL and Vanagon Carat are 7-passenger vans that provide more cargo and passenger space than any other minivan. Multivan and Camper GL are weekday family vans that become your home-away-from-home when you head for the country. And Vanagon Syncro 4WD and Camper GL Syncro 4WD give you the benefits of our unique form of four wheel drive technology. All combine the comfort and carrying capacity of a van with many of the handling characteristics of a passenger wagon. Vanagon's engineering elements work together to provide the distinctly European driving experience we call Fahrvergnügen. You can experience this feeling for yourself by driving a Vanagon. You'll find it to be one of the roomiest and most versatile vehicles on the road.

▲ Camper GL

Vanagon Carat ►

- Vanagon seats seven and still has 50 cubic feet of cargo space. That's more combined passenger and cargo space than any other minivan.
- Vanagon offers 50 feet more total space than Dodge Caravan and Chevy Astro.
- Vanagon has three times more behind the rear seat storage than Plymouth Voyager.
- Remove the center seats and Vanagon's cargo area measures a full 201 cubic feet.
- Vanagon's fully independent suspension, power-

assisted rack and pinion steering and power front disc brakes deliver smooth, responsive handling.

- Vanagon's 2.1 liter fuel-injected engine delivers enough torque to let you handle loads up to a ton.
- Vanagon is shorter than any midsize station wagon so it's easy to park and maneuver.
- The rear bench seat on all Vanagons folds down into a comfortable double bed.
- The luxurious Vanagon Carat has a unique seating arrangement that features two rear-facing

seats and a fold-down table that forms a versatile dining or game area.

- Camper features a pop-top roof with eight feet of headroom, two double beds, and a kitchen with refrigerator, two-burner stove and 10.5 gallon water tank.

PICK UP YOUR NEW VOLKSWAGEN IN EUROPE – AND SAVE.

The sights, the history, the excitement of Europe – there's no better way to experience it than from behind the wheel of a 1991 Volkswagen. Volkswagen's European Tourist Delivery Program lets you pick up

one of these new Volkswagens in Europe: Jetta, Passat, Corrado, Cabriolet, Vanagon and Camper. It's simple and convenient.

And the savings can be significant. All you have to do is arrange for the model and options you want at your authorized Volkswagen dealer. The financial arrangements (down payment, deposit, financing) are handled virtually the same as if you were purchasing your car for U.S. delivery. There are some requirements and conditions your dealership sales representative will be happy to explain.

Once you've ordered your Volkswagen,

you can pick it up at any one of 16

authorized delivery centers. (Locations

outside of Germany are subject to a

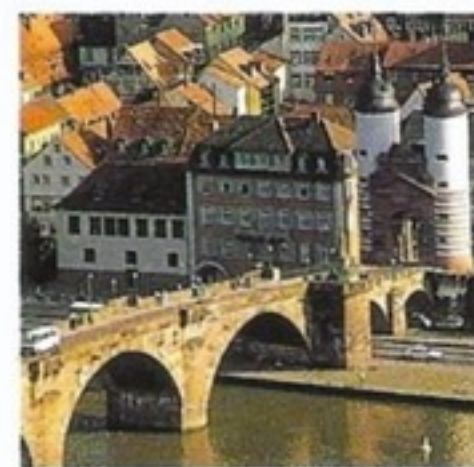

moderate additional charge.) Best of all,

when you take advantage of Volkswagen's European Tourist Delivery Program, your savings could be substantial – particularly

when you consider the cost of rent-a-car expenses. So don't delay.

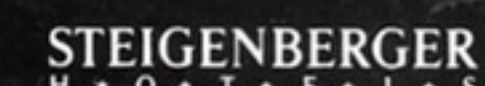

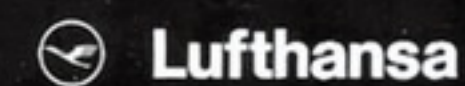

Start planning your trip today and ask your authorized sales

representative about picking up your new Volkswagen in Europe.

WIN A NEW PASSAT. A TRIP TO EUROPE. OR MORE.

Here's your chance to be a winner. We're giving away a Grand Prize 1991 Volkswagen Passat Sedan – the spacious family sedan with European style. Or you might win one of two trips for two to Germany, a high-tech mobile cellular phone or a 35mm camera. It's our way of saying thanks for your interest in our 1991 Volkswagens. And it couldn't be easier to enter. Pick up a Passat Sweepstakes entry blank at your nearest Volkswagen dealer or at the Auto Show. Or if you'd like, simply print your name, address and phone number on a 3"x 5" card and mail your entry, one per envelope, to Passat Giveaway, P.O. Box 687, Jenkintown, PA 19046. All entries must be postmarked or deposited by 9/15/91 and received by 9/22/91.

First Prize: Win one of two trips for two to Germany. You'll travel to Europe in the comfort of a **Lufthansa** wide-body jet and enjoy gourmet cuisine, movies and complimentary bar service. Once you arrive, you'll experience service and hospitality in the finest European tradition, for 7 days and 6 nights at the Steigenberger Inselhotel, Konstanz, Germany (shown above) or at any of the first class **STEIGENBERGER HOTELS** – where living in style has tradition.

Second Prize: NovAtel® Cellular Phones
Win one of five mobile cellular phones. NovAtel's new 3000 series of cellular product combines sleek design, superior functionality and unrelenting quality with an expanded list of features to keep you talking on the road. Today's communications advantage – the NovAtel 3000 series of cellular product.

Third Prize: Konica® Z-up80RC
Win one of 10 high-tech zoom compact cameras with remote control feature. It's a fully automatic 35mm camera with a built-in 40mm-80mm zoom lens. Plus automatic film load, advance and rewind. Creative photography made simple.

For more information on a specific Volkswagen model, see your local dealer or call 1-800-444-VWUS. A WORD ABOUT UPDATED SERVICE INFORMATION: Volkswagen regularly sends its dealers useful service information about our products. Volkswagen monitors product performance in the field. We then prepare bulletins for servicing our products better and helping to avoid costly repairs. Now you can get these bulletins, too. To get ordering information, see a local Volkswagen dealer. Volkswagen United States, Inc. believes the specifications in this brochure to be correct at time of printing. However, specifications, standard equipment and options are subject to change without notice. Some options may be unavailable when your vehicle is built. Please ask your dealer for advice concerning current availability of options and verify that your vehicle includes the optional equipment you ordered. Tires are supplied by various manufacturers. Some vehicles are pictured with options. Passive restraints are disconnected for unobstructive display of interiors. Corrado, Fox, Golf, GTI, Jetta, Passat, Vanagon, Syncro, Volkswagen and the Volkswagen logo are registered trademarks of Volkswagen AG. Fahrvergnügen and the "Otto Bahn" symbol are trademarks of Volkswagen of America, Inc.

PASSAT GIVEAWAY SWEEPSTAKES OFFICIAL RULES & INSTRUCTIONS 1. NO PURCHASE NECESSARY. One entry per person. To enter the sweepstakes, complete the entry blank or print your name, address, phone number and age on a 3"x5" card and deposit it at the Volkswagen display at your local auto show, or mail your entry, one per envelope, to PASSAT GIVEAWAY SWEEPSTAKES, P.O. Box 687, Jenkintown, PA 19046. Entries must be legible and completed in original handwritten or handprinted form. Machine copies of completed entries will not be honored. 2. Winners will be selected in a random drawing to be held on or about 9/30/91 by Family Guide®, Inc. from among all eligible entries received. To be eligible, entries must be deposited or postmarked by 9/15/91 and received by 9/22/91. Family Guide, Inc. is not responsible for lost, late, misdirected or mutilated entries or for entries not forwarded from dealerships or auto shows. Entries become the sole property of Volkswagen of America, Inc. Winners will be notified by mail and provided with all the information required to claim prize. Winners will be required to sign an Affidavit of Eligibility and Release of Liability within fifteen (15) days following notification. In the event of noncompliance within this time period, the prize will be forfeited. Winners' entry and acceptance of prize constitutes permission to use their names, photographs and likenesses for purposes of advertising and promotion on behalf of Volkswagen of America, Inc. and Family Guide, Inc. without further compensation. Odds of winning depend on the number of eligible entries received. All prizes will be awarded. 3. PRIZES AND APPROXIMATE RETAIL VALUES. One (1) 1991 Volkswagen Passat GL (MSRP \$16,035) excluding taxes, title, dealer prep. and transportation, including all standard equipment, based on availability at time of award. Color and factory optional equipment will be at the discretion of Volkswagen of America, Inc. based on availability. The winner will be responsible for any other options or accessories. The Passat will be delivered at the dealer located closest to the winner's home address. Two (2) trips for two to Germany. Trip includes roundtrip air transportation from a Lufthansa Airlines

gateway city closest to winner's home to Munich, Germany (winners responsible for transportation to gateway city), 7 days/6 nights double occupancy hotel accommodations, food, gratuities and ground transportation and transportation to/from Lufthansa gateway not included (MSRP \$3,320). Five (5) cellular phones (MSRP \$995). Ten (10) cameras (MSRP \$470). 4. Only licensed drivers, 18 years of age or older, who are residents of the U.S. are eligible to enter. Employees of Volkswagen of America, Inc., Family Guide, Inc. sweepstakes prize sponsors, their authorized dealers, agencies, subsidiaries and their immediate families are ineligible. 5. Geographic coverage is national. Void where prohibited by law. Subject to all federal, state and local law. Void in Puerto Rico. 6. One sweepstakes prize per family. Winners are responsible for installation and telephone activation, (where required), fees of any nature including registration and licensing fees and all federal, state or local taxes. Alternate prizes or cash will not be offered. Prizes are not transferable. Trips must be taken between 1/2/92 and 12/1/92. All reservations subject to space availability and blackout dates. Prizes may vary from illustrations shown due to model changes, availability and other circumstances. Each prize is subject to the limited warranties of the manufacturer or sponsor and is not the responsibility of Family Guide, Inc. 7. Sweepstakes is operated by Family Guide, Inc. which is solely responsible for its conduct, completion and awarding of prizes. All decisions of Family Guide, Inc. on all matters relating to this promotion are final. Entrants agree that Family Guide, Inc., Volkswagen of America, their agencies, franchised dealers and their agents, parents, subsidiaries, directors, officers and employees shall not be liable for injuries or losses of any kind resulting from acceptance or use of prizes or parts thereof. Manufacturer's express limited warranty on vehicles distributed by Volkswagen is not affected by this limitation. 8. For a list of sweepstakes winners (available after 1/1/92), send a stamped, self-addressed envelope to: PASSAT GIVEAWAY WINNERS, P.O. Box 687, Jenkintown, PA 19046.

Seatbelts save lives. Don't drink and drive. Form No. W63 000 6111. Litho in U.S.A.
